The screenshot shows the Europcar website interface. At the top, there is a navigation bar with links: Promotions, Véhicules, Destinations, Fidélité, Entreprise, and a Connexion button. The main search area has a green background. It includes fields for 'Départ' (origin) and 'Retour' (return), both containing 'SION'. Below these are 'Date et heure' (date and time) fields, each with a calendar icon, a date input field (showing 'jj/mm/aaaa'), and a time input field (showing '10:00'). To the right of the date and time fields is a field labeled 'Code Promo/Contract' with an information icon. A red arrow points from the top right towards this field. At the bottom left, there are fields for 'Mon âge' (My age) set to '25 ou plus' and 'Je vis en' (I live in) set to 'Suisse'. A large yellow 'Chercher' (Search) button is at the bottom right. At the very bottom, there are links for 'Fermer' (Close) and 'Rechercher' (Search).
